CHINESE 4H SUMMER WORK (Students entering 4H)

Please make a copy of this google doc with YOUR NAME in the title. Then complete the summer assignments on your google drive and SHARED with Fray Lao Shi. You could also use other word processing programs and recording devices, as long as you could show your product.

*You have the option to switch these stories to stories that happened to you during your summer (you must replace the given images with pictures to reflect your story - similar to a blog and podcast entry).

Story Narration Writing (by computer typing):

Write 4 stories. The four pictures present a story. Imagine you are writing a story to a friend. Give your story a beginning, a middle, and an end. (at least 200 characters each).

Story Narration Speaking (by digital recording):

Use Kaizena add-on to record your 4 stories (at least 2 minutes each); or attach your mp3 in another way.
