Next Generation Science Standards Testing Day May 22nd Modified “C” Day

ALL JUNIORS WILL BE TESTED ON May 22nd. ALL JUNIORS will come in at the regularly scheduled time. They will go to their NGSS classroom (Lists will be posted in the cafeteria, outside the main office and outside of the guidance suite). 9th, 10th, and 12th graders will come in two hours and five minutes later (start time is scheduled for 9:35 A.M.).

Upon their arrival, 9th, 10th, and 12th graders will go to the cafeteria until told that they may pass to their period 3 classes (at approximately 9:35). As we get closer to the conclusion of the NGSS testing, if we need to extend the testing window, any changes to the schedule will be communicated to department chairs and via SHS Staff email.
