

Special Schedule for CT SAT

Wednesday, March 27, 2019

ALL JUNIORS WILL BE TESTED ON March 27th. ALL JUNIORS will come in at the regularly scheduled time. They will go to an SATesting classroom (Lists will be posted in the cafeteria, outside the main office and outside of the guidance suite). The testing window will be 4 and 1/2 hours.

Upon their arrival,

9th, 10th, and 12th graders will go to the cafeteria until told that they may pass to their period 6 classes (at approximately 12:00). Lunch service will be provided for juniors only. We will not use bells on this day, so teachers need to be mindful of the schedule and watch the clock. As we get closer to the conclusion of the testing window, any changes in the schedule will be communicated to department chairs and via SHS Staff email.
