

# Lunch Rotation: 2020-2021(Sep/Oct)

Please direct your classes to eat during the lunch shift indicated in the table below. We are EXTREMELY tight on space in the cafeteria this year. The lunch shifts have been arranged to distribute the number of students in the four shifts as evenly as possible. It is imperative that any deviations from this schedule be made in consultation with the administration. Please note if your department has an \*asterisk next to its lunch wave. If it does, there will be certain periods that your lunch wave may be different. There will be follow up instructions from the administration. Also note that the lunch waves are slightly different in the two Cohorts.
